

4XEM Samsung USB-C 3FT Charger Kit (White)

4XEM Part- 4XSAMKITUSBC3W

Connect and charge all of your Samsung gear with 4XEM's Samsung USB-C charger kit. Included in this kit is the Samsung fast adaptive 2A wall charger and the 3ft USB-C cable, packaged together for user convenience. The Adaptive wall charger allows for 2A 5V fast charging and is compatible with other USB cables. The USB-C charging cable is suited for more recent Samsung devices like the Samsung S20 and many others. The USB-C connector also adds to higher speed charge rates, in conjunction with the adaptive charger, and also has a reversible design so there is no longer a right and wrong side to connect to your device. 4XEM's cables and chargers are all designed for durability, with reinforced molded ends to prevent added wear and tear.

Problem it solves: The 4XEM Samsung USB-C Charger Kit makes for a perfect high-quality backup or replacement charger and sync cable for all your Samsung devices. When charging, or transferring data to and from any Samsung device, always trust 4XEM Connectivity!
